

# Red Wine

**Serving  
Temperature**

15°C

## Vineyards

---

Spanish wine from La Manchuela, located between the plain of La Mancha and the Serranía de Cuenca. The slow maturation and the perfect formation of polyphenols produce an outstanding grape. Selected for its suitability for in-flight drinking.

## Grape Variety

---

A flawless blend of tempranillo, Spanish variety par excellence, and shiraz a very common grape from Rhône valley in France.

## Tasting Notes

---

Young, with the grapes' characteristic freshness and aroma. Bright cherry red, with notes of blackberry, violets and a hint of spice; complex and full-bodied. Perfect for pairing with snacks at any time of day particularly with Spanish ham and on-board meals.

## Pairing

---

Perfect for pairing with snacks at any time of day particularly with Spanish ham and on-board meals.
