

# Sangría

## Serving Temperature

5 to 7°C

## Origin

---

Sangria is a fine wine cocktail. This fresh-fruit infused beverage contains around 50% red wine, which makes it a lower alcohol option for health conscious consumers. Light and refreshing, Sangría reflects the joyful Spanish and Portuguese pace of life; ideal for summertime and “fiesta”. “Sangría” is a recipe name protected by the European Union since 2014 that only Spain and Portugal can produce.

## Recipe

---

Fresh Spanish fruits like apples and peaches. The wine is flawless blend of tempranillo, Spanish variety par excellence, and shiraz, a very common grape from Rhône valley in France.

## Tasting Notes

---

Refreshing, slightly sweet and sparkling, sangria is an easy drinking beverage. This tasteful wine cocktail is a perfect paring for snacks and appetizers.
